

Emergency Info

Fire and Ammonia Evacuation:

If an alarm sounds, immediately evacuate the building using the nearest exit. Emergency exits  are located in the main stairwell and on both sides at the rear of the lifts. Follow all instructions given by the fire warden and do not re-enter the building until instructed to do so. Assembly points  are indicated on the map below.

First Aid:

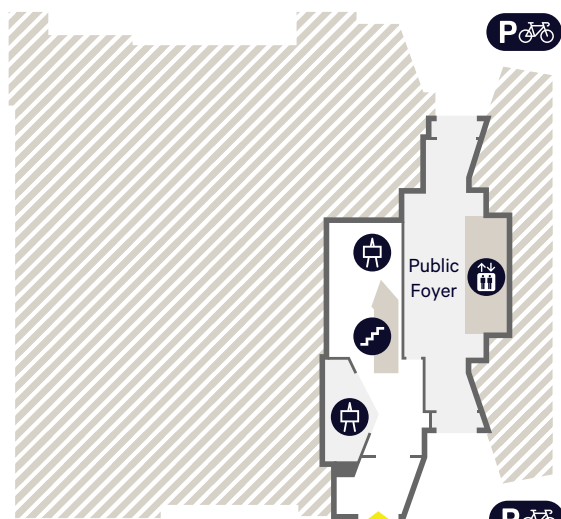

First aid supplies are located on each floor next to the printers  as well as in the staff kitchen  and at Reception . You must inform a member of staff if first aid is required.
